

Maintenance Choice®

Save with 90-day supplies

Maintenance Choice helps keep your medication as affordable as possible. But you may need to make a few changes to enjoy these savings.

Make sure your medication is covered

Start filling medications you take regularly (such as asthma or high blood pressure medications) in 90-day supplies at CVS Pharmacy® or CVS Caremark® Mail Service Pharmacy. **If you choose to not opt out of the program, and continue to fill in 30-day supplies, the fills will not be covered, and you will be required to pay the entire cost. See below for more details.**

Pick up your 90-day supplies at any CVS Pharmacy or get delivery from CVS Caremark Mail Service Pharmacy.
