STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance’s website at www.insurance.illinois.gov.

to make the residence accessible and/or the private automobile drivable or rideable for You. The costs must be incurred within two years from the date of accident.

Critical Burn Benefit: *When is the Critical Burn Benefit Payable?*

If You are Critically Burned and require reconstructive surgery as determined by a Physician, We will pay a Critical Burn Benefit.

This benefit will be paid:

- 1) after We receive Proof of Loss, in accordance with the Proof of Loss provision; and
- 2) according to the General Provisions of The Policy.

The Critical Burn Benefit is an amount equal to the least of:

- 1) the actual cost for the expense of the reconstructive surgery;
- 2) the amount resulting from multiplying Your amount of Principal Sum by the Critical Burn Percentage; or
- 3) the Maximum Amount for this Benefit.

No benefit is payable under this Benefit for any Loss which has been paid to You under the Accidental Death and Dismemberment Benefit.

- 1) are certified by a Physician as more severe than second degree burns; and
- 2) result in scarring over at least 25% of the body which will last indefinitely and can only be corrected through reconstructive surgery.

The specific amounts for this Benefit are shown in the Schedule of Insurance.

Coma Benefit: *When is the Coma Benefit payable?*

If, as a result of an Injury, You or Your Dependents:

- 1) are in a Coma within 31 days from the date of the accident; and
- 2) remain continuously in a Coma for at least the number of days shown as the Waiting Period;

Accelerated Benefit: *What is the benefit?*

In the event that You are diagnosed as Terminally Ill while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under age 65;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. In addition, Your remaining Amount of Life Insurance will be subject to any reductions in The Policy and will not increase once an Accelerated Benefit has been paid. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit. There will be no effect on the Accidental Death and Dismemberment Benefit Principal Sum after the Accelerated Benefit Amount is paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$100,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$80,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$77,000 in the future.

Any benefits received under this benefit may be taxable. You should consult a personal tax advisor for further information.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
- 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

Terminal Illness or Terminally Ill means a life expectancy of 6 months or less.

Proof of Terminal Illness and Examinations: *Must proof of Terminal Illness be submitted?*

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You do not submit proof of Terminal Illness satisfactory to Us, or if You refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

Conversion Right: *If coverage under The Policy ends, do I have a right to convert?*

If Life Insurance coverage or any portion of it under The Policy ends for any reason, except nonpayment of premium, You may have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Conversion is not available for:

- 1) the Accidental Death and Dismemberment Benefits; or
- 2) any Amount of Life Insurance for which You were not eligible and covered; under The Policy.

If coverage under The Policy ends because:

- 1) The Policy is terminated; or,
- 2) coverage for an Eligible Class is terminated;

then You must have been insured under The Policy for 5 years or more, in order to be eligible to convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

- 1) \$10,000; or
- 2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, except nonpayment of premium, the full amount of coverage which ended may be converted.

Insurer, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

Conversion: *How do I convert my coverage?*

To convert Your coverage You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have Your Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal. You must:

- 1) complete and return the request form in the proposal; and
- 2) pay the required premium for coverage;

within the time period specified in the proposal.

Any individual policy issued to You under the Conversion Right:

- 1) will be effective as of the 32nd day after the date coverage ends; and
- 2) will be in lieu of coverage for this amount under The Policy.

Conversion Policy Provisions: *What are the Conversion Policy provisions?*

The Conversion Policy will:

- 1) be issued on any one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of conversion; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and
- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

- 1) under a certificate of insurance issued in accordance with the Portability provision; or
- 2) in accordance with the Continuation Provisions;

until such coverage ends.

Death within the Conversion Period: *What if I die before coverage is converted?*

We will pay Your Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You die within 31 days of the date coverage terminates; and

- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

Portability Benefits: *What is Portability?*

Portability is a provision which allows You to continue coverage under a group Portability policy when coverage would otherwise end due to certain Qualifying Events. Portability applies to Basic Life Insurance and Supplemental Life Insurance coverages only.

Qualifying Events: *What are Qualifying Events?*

Qualifying Events for You are:

- 1) Your employment terminates for any reason prior to Normal Retirement Age; or
- 2) Your membership in an Eligible Class under The Policy ends; provided the Qualifying Event occurs prior to Normal Retirement Age.

Electing Portability: *How do I elect Portability?*

You may elect Portability for Your coverage after Your Basic and Supplemental Life Insurance coverage ends due to a Qualifying Event. The Policy must still be in force in order for Portability to be available.

To elect Portability for yourself, You must:

- 1) complete and have Your Employer sign a Portability application; and
- 2) submit the application to Us, with the required premium.

This must be received within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the application;

whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability coverage will be:

- 1) issued without Evidence of Insurability;
- 2) issued on one of the forms then being issued by Us for Portability purposes; and
- 3) effective on the day following the date Your coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are applicable to coverage under The Policy.

Limitations: *What limitations apply to this benefit?*

You may elect to continue 50%, 75%, or 100% of the Amount of Life Insurance which is ending for You. This amount will be rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000. However, the Amount of Life Insurance that may be continued will not exceed \$250,000 for You.

If You elect to continue 50% or 75% now, You may not continue any portion of the remaining amount under this Portability provision at a later date. In no event will You be able to continue an Amount of Life Insurance which is less than \$5,000.

Portability is not available for any Amount of Life Insurance for which You were not eligible and covered.

In addition Portability is not available if You are entering active military service.

Effect of Portability on Other Provisions: *How does Portability affect other Provisions?*

Portability is not available for any Amount of Life Insurance that You have exercised under the Conversion Right.

Portability is also not available to You while Your coverage is being continued under a Continuation Provision under The Policy. However, if:

- 1) You elect to continue only a portion of terminated coverage under this Portability Benefit; or
- 2) the Amount of Life Insurance exceeds the maximum Portability amount;

then the Conversion Right may be available for the remaining amount.
