## **America Saves Week 2023**

Since 2007 America Saves Week has been an annual celebration as well as a call to action for everyday Americans to commit to saving successfully. We encourage employees to do a financial check-in that allows them to get a clear view of their finances, set savings goals, and create a plan to achieve them.

The 2023 America Saves week will occur February 27 – March 3. In recognition of this, the State of Rhode Island's 475(b) deferred compensation plan investment providers Fidelity, TIAA and Voya will host special virtual workshops and recorded webinars geared towards helping employees save for short and long-term goals, pay down debt and ensure a better financial future. Attend these

events and take steps towards building financial confidence and retirement preparedness.
