Get Your Free Flu Shot!

Flu season is almost here. Protect yourself and your family by obtaining your FREE flu shot at a flu shot clinic hosted at various State locations during September, October, and November. The flu shot clinics will be administered by The Wellness Company (“TWC”).

Visit the [Flu Shot Clinics page](#) of the Office of Employee Benefits website for a list of locations and dates, as well as registration instructions. Please note that **pre-registration is absolutely required to guarantee an appointment**. Walk-ins will only be allowed based on limited available resources.

Please note that for State employees enrolled in BCBSRI State employee health coverage, the State’s “Primary Insurance Plan” is “BCBS of RI” and your “Insurance ID #” is listed on your BCBSRI card and begins with a “RIS” prefix.

Also, please remember that getting a flu shot is an activity in Rewards for Wellness 2024-2025. If you get your flu shot at one of the State-sponsored clinics, you will automatically qualify for \$50 in co-share credits. You may also qualify for the \$50 flu shot credit by getting your flu shot elsewhere using your State medical (BCBSRI) or pharmacy (CVS) coverage. Find additional details on the [Rewards for Wellness 2024 -2025 page](#).*

** Only active State of Rhode Island employees who are paying State medical co-share premium payments at the time of the incentive payout(s) are eligible to receive co-share credit incentives.*
